

Proposed upgradation & renovation for Ayush Hospital building at D.H Wardha

## Description

### Key Details: –

Dept. = National Health Mission Mumbai

Cost = 30 Lac

Time req. for completion = 3 months

The National Health Mission Mumbai is proposing an upgrade and renovation project for the Ayush Hospital building in D H Wardha Dist, Wardha. The project aims to improve the facilities and services offered by the hospital, by upgrading and renovating the existing building. The cost for the project is estimated to be 30 Lac, a significant investment in the healthcare infrastructure of the area. The National Health Mission Mumbai plans to complete the project within 3 months, ensuring that the local residents have access to improved healthcare facilities as soon as possible. The proposed upgrades and renovations will greatly benefit the community by providing better medical facilities, and will improve the overall experience for patients visiting the hospital.
