

Construction of kitchen shed and slaughterhouse, Girad Tah. Samudrapur Dist. wardha.

Description

Key Details: –

Department = Public works Department, Wardha

Cost = 50Lac

Time req. for completion = 7 Months

The Public Works Department in Wardha is embarking on a significant construction project that aims to improve the infrastructure in Girad Tah, Samudrapur Dist, Wardha. The project includes the construction of a kitchen shed and a slaughterhouse. The kitchen shed will provide a dedicated space for preparing meals, while the slaughterhouse will ensure that the meat supply in the area is handled in a safe and hygienic manner.

The cost of this project is estimated to be 50 Lac. This is a substantial amount of money that will be invested in the area to improve the infrastructure and overall living conditions of the residents. The department has carefully planned the project and allocated the necessary resources to ensure that it is completed within the 7 months time frame.

This project is a significant step towards the development of Girad Tah, Samudrapur Dist, Wardha, and it will provide the residents with much-needed facilities and services. The Public Works Department is committed to delivering the project on time and within budget, and they are confident that it will have a positive impact on the community.
